

How might the COVID-19 pandemic impact your church finances?

Be mindful of areas where your budget will increase

Consult with your insurance agent or provider to be sure you have adequate liability and other coverages

Hire a professional cleaning service

Make needed repairs

Can some of your operational costs be reduced, such as bulletin printing, bus/van usage or money spent on coffee service?

You may need to upgrade your technology

Purchase technology, such as big-screen TVs, to allow for social distancing

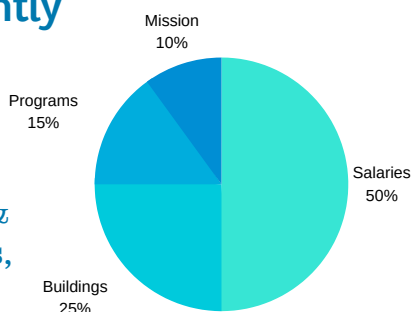

Develop an online presence by investing in a website

Scan the QR code for more info:

Look at your budget differently

Build it around your income & expenses, like this:

Reach out to Disciples Church Extension Fund for support

Contact us for an Initial Consultation. Or, reach out directly to the DCEF Building and Capital Services Advisor in your state.
