What signs do we need around our church buildings?

- 01** Outside signage encouraging people to practice social distancing
- 02** Markers on walkways that cue how far apart to stay from others
- 03** Closer to the entry, signage that lets visitors know what to expect as they enter
- 04** Inside signage informing people of what is expected of them for gathering
- 05** Informative signage that answers questions about the nursery, ushers, etc.
- 06** Signage in places like the church office and restrooms to direct people in desired practices
- 07** Signage in areas that are not open, along with a note explaining why
